DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

On 03 December 2008, Applicants' representative, Ronald J. Kamis contacted the examiner to state that an IDS that was submitted on 14 November 2000 was not considered during prosecution of the instant application and was not made a part of the record in IFW. Mr. Kamis submitted the IDS and original return receipt postcard (dated 17 November 2000), which provided evidence that the PTO received the original IDS. The examiner has considered the IDS and attached it herein. Many of the references were duplicates of references considered on the IDS dated 06 March 2006 and hence, were lined through by the examiner.
